

This half term we will be exploring winter.

Please choose at least 3 of the activities to complete during the half term. Your child can present their work however they would like to. They could use the computer, take a photograph, record a video or they could draw and label a picture etc. It's up to them—with a little guidance from you! Please upload to Seesaw once completed for us to see and celebrate their work.

Homework can be uploaded at any time up until Friday 26th May.

Can you create a minibeast habitat?  
Think about what they will need to survive in their habitat.

Can you go on a spring walk? You could take pictures of all the living things you see.

## Reception Homework Summer Term 1

Draw a picture or visit, your favourite local place to go with your family. It could be a park, shop or somewhere else in your community.

Practice writing your name or a sentence, making sure your letters stay on the line.

Can you learn some signs of the song 'We're going to the zoo' using Makaton? Here is a helpful link:  
[https://www.youtube.com/watch?v=6i6Ti7p\\_3AM](https://www.youtube.com/watch?v=6i6Ti7p_3AM)

Can you create a symmetrical butterfly using natural materials?
