

This half term we will be exploring Autumn and ourselves.

Please choose at least 3 of the activities to complete during the half term. Your child can present their work however they would like to. They could use the computer, take a photograph, record a video or they could draw and label a picture etc. It's up to them—with a little guidance from you! Please upload to Seesaw once completed for us to see and celebrate their work.

Homework can be uploaded at any time up until Friday 28th October.

Can you get ready for school on your own?

Have a go at putting on your socks and jumpers on your own too!

Practise using your knife and fork at dinner time.

You could also help with the washing up afterwards!

Using junk at home or found items, can you create an Autumn crown?

## Reception Homework Autumn Term 1

Can you find items around your home that start with the first letter of your name?

Wrap up warm and go on an Autumn walk.  
What signs of Autumn can you see?

How old are you?  
Can you find items around your home which have that number on?
