Blwyddyn Newydd Dda - Happy New Year to you all. We hope you all had a good Christmas holiday and the children are ready to start the new term. This term is a very important term for your children as they are preparing for their transition to the high school. As such, they will be expected to follow all year six routines as we guide them towards greater independence. There will be much more interaction between staff in the high school and ourselves to make the transition as smooth as possible.
