Dear Parents

The children will begin a block of swimming lessons starting on **Tuesday 13th September.**

Your child will need a swimming costume/shorts and a towel in a bag. If your child has a medical reason for needing to wear goggles, please put this in writing addressed to the class teacher.

Please would you indicate below your child's current swimming ability and any awards gained. This will help to place him or her in the appropriate group. Our swimming lessons cater for all levels of ability.

Please inform us if any asthma pumps need to be taken to the pool. Please ensure your child has a coat on this day.
