Year 2 Spring Term 1 Homework

Happy New Year to you all!

Please choose at least three homework options and complete during this half term. You can present your work anyway you like.

Welsh

Can you write a simple menu using Welsh words for the foods? Can you use the colour words with each food too such as afal-apple could be written afal coch or afal gwyrdd (red or green apples)

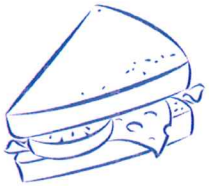
Language and literacy

Read 'The Gingerbread Man' or other food related stories - create another story similar to the one you read.

Make your favourite food and then write instructions telling others how to make it.

Look at and read your favourite recipes. Can you try something new to eat? Maybe make a list of what you would need to buy to make it with.

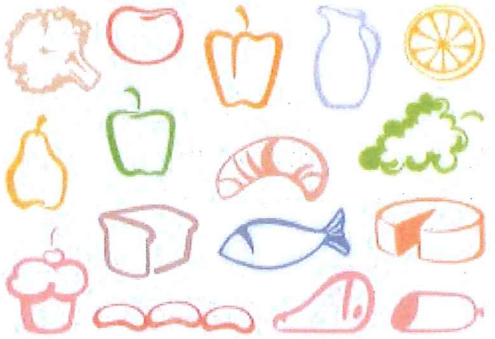
Mathematics



Play shops by using items to buy at home and giving each item a price tag. Make a list of food that you want to buy.

- Can you find the right money to pay?
- Can you work out how much change you will get?
- Draw the coins you will need and/or draw any change you might get.

Food



Knowledge and Understanding

Research where your favourite food comes from. Write a report in any format to share with your class.

What is FAIRTRADE? Have you got any food wrappers with the label on?

Creative Development

Can you create a piece of art from fruit and vegetables. It could be 2D or 3D and maybe you could eat it afterwards!
