

This booklet outlines Welsh vocabulary, phrases and questions that are useful for parents to use at home and supports work in class for children in Y2. There are also soundbites of vocabulary available to support parents.

This booklet is part of a series of booklets designed to increase bilingualism in primary schools. Using these booklets is a simple and effective way to ensure that progression is built into incidental Welsh language learning throughout the primary school.

The pocket-sized booklets are ideal for supporting parents to improve the use of incidental Welsh.
