Disability is a Possibility - Bart Gee

Children in years 3-6 met Bart Gee this week. Bart is such an inspiration to us all. The children were amazed about what Bart has achieved as he says Disability is a Possibility. Bart told the children about how he takes part in triathlons, lives independently and plays the piano brilliantly when his parents were told he would never walk.

What an inspiration!

School Ramp Closure

The **School Ramp** entrance from Wrexham Road is having an upgrade and is still waiting on parts. As such it will still be closed for the foreseeable. We are hoping to be able to re open the ramp by 4th March. In the meantime, the gate on Alexander Road across the daily mile track will be open for anyone wanting to enter this way. We will keep you updated on the re opening.
