A Message from Mrs. Williams

As we reach the end of this incredibly busy first half of the Summer term, I want to express how proud I am of all our pupils. From sporting triumphs to exploring our local community and achieving success in national writing competitions, the energy around the school has been fantastic. I wish you all a restful and safe half-term break!

Cross Country Champions!

What a day for Bryn Coch! Today, our runners competed in the Mold and Buckley Schools' Cross Country competition, and the results were simply outstanding. Our pupils showed incredible determination, stamina, and team spirit.

Our Results:

Years 3 & 4 Girls: Champions

Years 3 & 4 Boys: Champions

Years 5 & 6 Boys: Champions

Years 5 & 6 Girls: 2nd Place

We are also gearing up for the National Open Race at Blaendolau fields. With a record number of entries, our athletes are aiming high. Pob lwc!

Safeguarding - Safeguarding is the responsibility of all adults. Everyone has a responsibility to keep children safe.

Have a concern? It needs to be reported. The school Designated Safeguarding Person is Mrs Lynne Williams Headteacher or contact Social Services directly on 01352 701000 or out of hours 0845 0533116 or in an emergency contact the Police 999.

Young Writers: Published Authors!

Children from Years 4, 5, and 6 recently took part in the Young Writers competition, showcasing their creativity and imagination. We are delighted that their hard work will now be published in a book called Ridiculous Writers! Well done to all our new published authors.

Cheerfest 26

The Year 5 & 6 cheerleaders performed amazingly at Cheerfest on Sunday 17th May. Cheerfest was an all-day event hosted by Buckley Cheerleading Club at Deeside Leisure Centre. The pupils have been working hard every Thursday after school to put the routine together with Miss Holland and Mrs Lea and have put in a lot of hours practising. Bryn Coch came 3rd in our category and we are extremely proud of them - Da iawn girls! "Let's go Bryn Coch - we're rocking all the way!"

Community Fortnight Highlights

The last two weeks have been dedicated to our local community. Here is a look at what our classes have been up to:

Nursery: Explored "People Who Help Us," practiced using the zebra crossing, and conducted science experiments on waterproof materials for firefighters.

Reception: Enjoyed their very first "Community Fortnight" adventures exploring the local area.

Year 1: Visited Mold Library, played games at the park, and met the RNLI. Their trip to Talacre Beach to learn about dunes and water safety was a huge highlight.

Year 2: Enjoyed an exciting trip to Mold Fire Station to see the crews and equipment in action.

Years 3/4 DJ & 5/6 SJ: Visited the B&M Garden Centre to pick out the perfect plants for our school Fairy Gardens.

The Cereal Box Challenge

Please keep collecting those cereal boxes over half term!
We are aiming to create a giant domino run for charity.

We have given you this cereal to eat,
But the empty box is for you to keep!
Spare change is what you must find.
Earn with chores, be helpful, be kind.
Fill up your box, a little or a lot,
Return after half term for our
fundraising pot!

Please only give what you can afford!

YEAR 3

We have started our new topic in Year 3, Living Things. Children are very excited for our upcoming trip to Chester Zoo to learn all about animals and their habitats. Children have learnt about the parts of a flower and their functions. They have also been using this information to sketch their very own real-life flowers. Our new class book, The Magic School Bus, has inspired pupils to plant, grow and take responsibility for their own vegetables. All Year 3 pupils have also been preparing for Sports Day and our local area Year 3/4 cross-country team event.

We also enjoyed a walk around Mold to explore the wonderful things our local community has to offer. The children loved spotting familiar places, learning more about their local area and appreciating the environment around them.

Cricket & Rugby Updates

Cricket Fever: Attendance has reached record highs with up to 70 pupils! Don't forget the upcoming festivals: Girls (June 4th) and Boys (June 10th).

Rugby Nationals: Our Year 5/6 squads are training hard for the Urdd National 7-a-side in Aberystwyth on Sunday, June 21st.
