A Message from Mrs. Williams

School continues to be an extremely busy place at the moment. We have seen children representing the school in Aberystwyth at the Urdd National Finals day, where they competed in Football, Contact rugby, Tag Rugby and Cross Country. We have been successful recipients of a national award from Climate Change Cymru and have been awarded the Eco Schools Green Flag. Today also marked the last of our induction mornings and we have shown resilience by attending school during this heatwave. It was lovely to celebrate Sports Day with some fantastic weather and both the Foundation Phase and Key Stage 2 events were a sporting success. Congratulations to E and M who were crowned the school's fastest girl sprinters and to E who was the fastest boy. Pupils in Years 5 and 6 also took part in the Brownlee Foundation Triathlon at Mold Alun and had a great time swimming, cycling and running.

CONGRATULATIONS

Safeguarding - Safeguarding is the responsibility of all adults. Everyone has a responsibility to keep children safe.

Have a concern? It needs to be reported. The school Designated Safeguarding Person is Mrs Lynne Williams Headteacher or contact Social Services directly on 01352 701000 or out of hours 0845 0533116 or in an emergency contact the Police 999.
