The weather has certainly made things interesting at the start of this term. Thank you to all the children and parents for their cooperation at this difficult time, the children have been very sensible and understanding with all the break-times we have had indoors!

We were very pleased to be presented with our Cymraeg Campus Bronze award this week. Da iawn pawb! We were also very lucky to be presented with cricket equipment and kit from one of our families in memory of their grandad who always supported the school at sporting events.

Reception classes held their Winter Warmer coffee morning yesterday. They entertained family members and raised £188 for Alder Hey and are also going to be sponsoring a Penguin at Chester Zoo. They raffled a hamper donated by Smurfitt, and sold keyrings they had made. Well done reception!
